

Boston Beanery

RESTAURANT

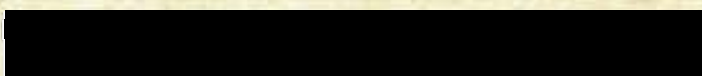

& TAVERN®

The Boston Beanery Restaurant & Tavern concept was founded in Morgantown West Virginia in 1983. The restaurants are patterned after old Boston pubs from the 1800's, which at that time were called Beaneries. We now have 5 Boston Beanery locations in West Virginia, Pennsylvania, and Virginia.

All Boston Beaneries strive to bring you the very best food served in a warm tavern style atmosphere. We guarantee you will enjoy the same high level of quality whether trying our homemade Con Queso Dip, grilled sandwiches, our hand-battered seafood, fresh(never frozen) Angus steaks, or our signature marinated chicken entrees.

We invite you to come to your hometown Boston Beanery for business meetings, luncheons, to meet friends for an evening of fun, or to enjoy a relaxing meal with your family. Be assured we will do our very best to make your visit memorable. We hope you will come back often and see why we are "Still the One!"
