

Tygart Lake State Park

Summer Activities

Thank you for checking 'at-a-park' listings.

During the summer months we offer daily activities for family, youth and friends to enjoy.

During wintry months we concentrate on special event weekends. You'll find these special programs and package on our [Events](#) page or our [Package/Deals](#) pages on the Tygart Lake State Park website.

Our summer fun includes activities like reptile adventure and flyswatter art; meandering for mammals or a scavenger hunt, and more. Most activities are fee-free and open to the public.

Feel free to contact us if you're visiting in the winter and looking for some planned activities for your group or family. Autumn Elliott and Derek Nuzum are the 2017 summer naturalists and activity leaders.
